## HOW DO I START WORKING WITH YOU?

After your initial consult, you have the option of purchasing 1 session (\$55), 3 sessions (\$155), or 6 sessions (\$310). All fees are due up front via Venmo (@Bailey-DeBarmore), and sessions are scheduled one by one to allow for flexibility in both of our schedules.

## HOW MANY SESSIONS DO I NEED?

It depends on where you are in your study plan (flow chart next page). Clients that are reviewing content typically have 3 sessions spaced 1 month apart, and then 3 sessions spaced 1-2 weeks apart for the Study Smarter© method. Clients who have taken the exam at least twice and fully reviewed all content can start with the Study Smarter© method, and usually purchase the 3 session package, with sessions spaced 1-2 weeks apart. Note that both the 3 session and 6 session packages include ongoing email support, where you can email practice questions to me, ask questions, and have general check-ins via email between sessions. With the session packages you also get access to the Study Smarter© resource packet, which outlines the method step-by-step, and is *free* for package clients (\$45 for everyone else). The single sessions aren't very common, but are available for those who feel pretty confident in their abilities, and just want to check-in once before their exam.

## WHAT IF I WANT THE RESOURCE PACKET BUT NOT TUTORING?

My Study Smarter© resource packet is available for purchase (\$45) at [www.baileydebarmore.com/resources](http://www.baileydebarmore.com/resources). Please note that if you change your mind and decide to sign up for tutoring, there will be no reimbursement for the packet.

## HOW MANY SESSIONS DO MOST CLIENTS PURCHASE?

Most of my clients have taken the exam several times, and have reviewed content as many times. They are read to jump into the Study Smarter© method and almost exclusively purchase the 3 sessions. One student has utilized a single session only. The 6 session package is a relatively new offering, and ideal for clients needing to review content, or those who want more intense support (weekly) during the Study Smarter© method. If you have taken the exam only once and still need to review content, the 6 session package over 2-3 months would be the best option for you. If you have taken the exam several times, but would like a more involved tutoring experience, the 6 session package would offer you sessions every week (instead of every 2 weeks) to make sure your studying is as effective as possible. **Please see the flow chart on the following page.**

## WHAT OTHER RESOURCES DO YOU HAVE?

In addition to the Study Smarter© resource packet, I have several other support resources such as study guides and terminology sheets available. Tutoring students get a graded discount depending on the number of sessions purchased. These resources range in price from \$5 to \$15, and I am adding different topics all the time. Clients have found the kidney, electrolyte, and fluid balance study guide particularly helpful. If you have any requests for certain topics, don't hesitate to send me an email. You can find these resources at [www.baileydebarmore.com/resources](http://www.baileydebarmore.com/resources)

## WHAT DO PAST CLIENTS HAVE TO SAY?

Some of my past clients have offered testimonials, which you can read at [www.baileydebarmore.com/testimonials](http://www.baileydebarmore.com/testimonials). Their backgrounds range from never having taken the exam, to taking the exam 3+ times.

## CAN I CONNECT WITH YOUR OTHER CLIENTS?

If both clients agree, I offer to connect students via email.
